### WARRANTY:

Tempotest Home® fabrics have a warranty of 6 years. The warranty only covers loss of colour and tenacity, due to the normal exposure to the action of UV rays and weather conditions in general. Conditions of warranty available at [TEMPOTEST.IT](http://TEMPOTEST.IT).

**MADE IN ITALY**

## WASH CARE

Le macchie sui tessuti delle collezioni Tempotest Home® possono essere eliminate con una semplice soluzione di acqua (non più di 40°) e sapone, spazzolando e risciacquando accuratamente. È possibile lavare i tessuti a secco o in lavatrice a 30° con detersivo liquido e con centrifuga blanda. Lasciare asciugare il tessuto all'aria aperta. Non asciugare con apparecchi elettrici e non stirare con vapore. Il trattamento delle macchie a base acquosa così come l'igienizzazione dei tessuti Tempotest Home® possono essere effettuati anche con una soluzione di candeggina (ipoclorito di sodio) – non candeggina delicata – diluendo 1 parte di candeggina in 4 parti di acqua. Dopo questo trattamento è sempre necessario risciacquare accuratamente il tessuto e lasciarlo asciugare all'ombra per

Non strizzare o torcere - Do not wring or twist

Stains on Tempotest Home® fabrics can be removed with a solution of water (not more than 40°C) and neutral soap, brushing and rinsing thoroughly. It is possible to dry wash the fabric or in washing machine at 30°C with liquid detergent. Use low speed spindryer. Let dry the fabric at the open air. Do not dry with electrical appliances and do not iron with steam. Water-based stains treatment and Tempotest Home® fabrics sanitizing, can also be done with a solution of bleach containing sodium hypochlorite – not gentle bleach - diluted 1 part bleach to 4 parts water. After this treatment, it is always necessary to rinse the fabric thoroughly and then let it dry in the shade to avoid any yellowing

**MADE IN ITALY**

223 - 001

**SUITABLE FOR:** OUTDOOR UPHOLSTERY & SOFT UPHOLSTERY

**COMPOSITION:** 100% SOLUTION DYED OUTDOOR ACRYLIC FIBRE

**WIDTH:** 152 CMS (+/- 5 CMS)      **WEIGHT:** 270 GSM (+/- 5%)

**COLOUR FASTNESS TO ARTIFICIAL WEATHERING UNI EN ISO 105**

**BO4:** DEGREE  $\geq$  7/8 ON BLUE SCALE, DEGREE  $\geq$  4/5 ON GREY SCALE, AFTER 1000 HRS OF EXPOSURE

**GUARANTEE:** 6 YEARS COLOURS-FAST WARRANTY

**FINISHING:** PFAS FREE - SOIL RESISTANT, MOULD RESISTANT, WATER REPELLENT & OIL CLEANABLE

**WASH CARE:** PLEASE REFER TO PAGE 3

## TECHNICAL FEATURES

Width  $\pm 5\%$  (CMS) 316

Weight  $\pm 5\%$  (GSM) 120

Composition

100% solution dyed outdoor acrylic fibre

Color fastness to artificial weathering UNI EN ISO 105 B04

Degree  $\geq 7/8$  on Blue scale

Degree  $\geq 4/5$  on Grey scale

After 1000 HRS of exposure

Guarantee

8-years colours-fast warranty

Finishing

Soil resistant, mould resistant,  
water repellent & oil cleanable.

Maintenance and cleaning

Stains on Tempotest Home® fabrics can be removed with a solution of water (not more than 40°C) and neutral soap, brushing and rinsing thoroughly. It is possible to dry wash the fabric or in washing machine at 30°C with liquid detergent. Use low speed spin-dryer. Let dry the fabric at the open air. Do not dry with electrical appliances and do not iron with steam.

## Tempotest Home® Sheer

Airy and elegant, Tempotest Home® Sheer is **the ideal solution for decoration**. An open mesh fabric, perfect for screening the sun's rays without occluding the view, and **creates a pleasant atmosphere**.

Suitable for vertical shading of outdoor facilities such as pergolas and gazebos, and to enhance boring and impersonal environments with swags, ceilings and drapes; or as curtains for windows and balconies **increasing visual comfort and privacy of living areas**.

**Resistant to mould, mildew and salt**, Tempotest Home® Sheer **keeps its beauty without needing complicated maintenance** or frequent washing.

Tempotest Home® Sheer also **preserves its colour and brilliance** without colour fading or yellowing **even when subjected to strong UV rays** and the most demanding weathering which would damage any other type of fabric in a short time.

Sheer is water repellent and oil cleanable, allowing the water to slip taking away any accumulation of dirt.

The water repellency, combined with the open and light structure helps a rapid drying preventing drapes and decors to become heavy and mis-shapen. Tempotest Home® Sheer provides **good protection against insects**.

### WARRANTY

*Tempotest Home® Sheer fabrics are guaranteed 8 years.*

*The warranty only covers loss of colour and tenacity, due to the normal exposure to the action of UV rays and weather conditions in general*
